

Availability through HorizonWebRef

There are 6 options for Availability through HorizonWebRef:

1. Not Available: This is the default option and for when you are unavailable
2. Available All Day
3. Available Before: Useful for if you only want to ref in the morning. E.g. you can only ref 9:00am and 10:30am, so you put Available Before 12:00pm, (Box 3)
4. Available After: Useful for if you don't want to ref before you play. E.g. you play at 10:30 and want a break after, so you put Available After 1:30pm (Box 4)
5. Available Between: Useful if you're playing more than one game in a day or have something on in the morning. E.g. you play at 9:00am and 12:00pm so you put 10:30am and 12:00pm for the times (Box 5)
6. Not Between: Useful if you want to ref before and after you play. E.g. you play at 10:30am but are wanting to ref at 9:00am, 12:00pm, 1:30pm, 3:15pm (Box 6)

1 Not Available

2 Available All Day

Location

To select your playing location for each week use the block locations function: found in the top right corner of the availability calendar.

For example: if you're playing at Brabham, block the fields that aren't located at Brabham.

Please get your availability submitted ASAP. The same timings will apply for availability submission from NEXT WEEK: Tuesday 7pm
